Brilliant Gel

Display and case cleaning gel

Perfect care and cleaning for all popular displays, keypads and cabinets due to its gentle treatment of surfaces. Just spray Brilliant Gel on the surface without diluting it and use a clean cloth to wipe it off! This brand-new gel composition allows for drop-free and clean application. The fine protective film has an antistatic effect and inhibits static charges. It is very economical in application. Brilliant Gel is delivered in a CFC-free pump bottle including a cleaning cloth.

Perfect care and cleaning for all popular displays, keypads and cabinets. very gentle. simply spray and wipe with a clean cloth. drop-free and clean application with the special gel composition. anti-static. economical application.
